## Fife Lake Chamber

### *September 2024*

#### **Your Guide to events, programs and news from the Fife Lake Chamber of Commerce and its Members**

##### **Communicate**

The Chamber offers information and educational opportunities to support local business. We are a critical communications link between our members and issues that impact the business environment, providing an opportunity to make informed and strategic decisions for the future.

##### **Connect**

In business, success is often determined by having the right connections. The Chamber provides opportunities for members to make those connections with each other and with resources that advance professional development, the bottom line and the overall community.

##### **Influence**

The Chamber takes action to advocate for a business friendly, positive environment. We advocate for issues that build our quality of life and promote economic development and we endorse and support elected officials who share those values.

# Springfield Township News

On Saturday, August 24, the Chamber presented the Springfield Township Parks and Recreation with a certificate congratulating them on the dedication of their newly remodeled pavilion. Everyone enjoyed the Annual Antique Tractor show, craft vendors, and a lunch provided by the Township.

The beautiful pavilion is open and available to rent for your next gathering.
