| Wednesday - 8:00 a . m. to 4:00 p.m. |                                  |

# Chamber Notice

2024 has been another year of growth for the Chamber. We have 57 members this year: 14 at the sponsor level (listed below), 34 at the member level, and 9 at the friend level. We just recently joined Traverse Connect to provide more value to our members and to our community in 2025. Their events will be a valuable resource as we move forward. We also have openings for you to join our board for 2025. Our appreciation dinner and annual meeting (election of officers and budget approval) will be held in December. Members, be watching the mail for your invitation! We hope you will come to one of our monthly meetings or email us to find out how you can join us in serving the Fife Lake Area.

Thank you to all who have worked with us this year!

Debbie

Logging

### Communicate

The Chamber offers information and educational opportunities to support local business. We are a critical communications link between our members and issues that impact the business environment, providing an opportunity to make informed and strategic decisions for the future.

### Connect

In business, success is often determined by having the right connections. The Chamber provides opportunities for members to make those connections with each other and with resources that advance professional development, the bottom line and the overall community.

### Influence

The Chamber takes action to advocate for a business friendly, positive environment. We advocate for issues that build our quality of life and promote economic development and we endorse and support elected officials who share those values.
